

2026 Raincoast Ocean Science Awards

SPONSORSHIP OPPORTUNITIES

Support conservation

Raincoast Conservation Foundation is a science-based registered charity that applies a unique model of informed advocacy to protect the lands, waters, and wildlife of coastal British Columbia. The foundation operates an applied conservation research lab at the University of Victoria, a conservation genetics lab at the Pacific Science Enterprise Centre, runs a 68-foot Transport Canada certified research sailing vessel, and operates a coastally-focused land trust, making it unique in Canada.

Ocean Awards

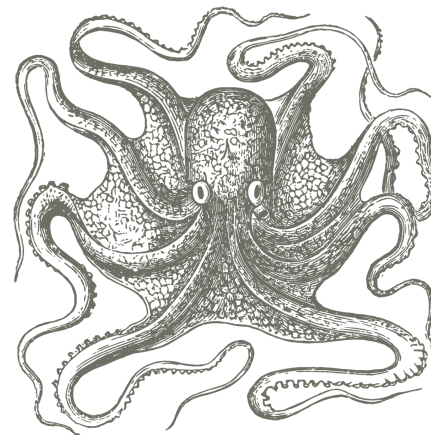

We are celebrating the Raincoast Ocean Science Awards at the Vancouver Aquarium to recognize individuals and organizations that are making outstanding contributions to ocean conservation through scientific research, Indigenous Knowledge systems, and public engagement.

Stand with excellence

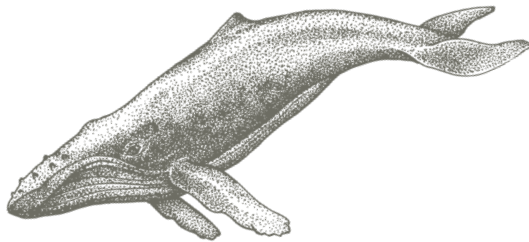

By supporting the Raincoast Ocean Science Awards, you demonstrate your commitment to protecting marine ecosystems and coastal communities, while gaining visibility among an engaged audience of environmental leaders, scientists, philanthropists, and change makers.

Your sponsorship directly supports the recognition of individuals and groups making measurable change — advancing science, knowledge sharing, and conservation in the face of climate and ecological challenges.

Sponsorship tiers

Help us celebrate noteworthy individuals and organizations that have made a difference in ocean science, conservation, and engagement.

Why collaborate with us

A partnership with Raincoast Conservation Foundation will:

- Create a powerful strategy to demonstrate your commitment to protecting the lands, waters, and wildlife of coastal BC;
- Support your B Corp commitment and/or “Nature-Positive,” ESG and other sustainability goals;
- Widen your reach through our social media channels combining over 70,000 followers and 4 million website page views a year;
- Enhance customer/client loyalty, and build trust;
- Satisfy stakeholder engagement.
